

SATURDAY 13 AND SUNDAY 14 JULY 2024

## PARTNERSHIP AND RETAIL OPPORTUNITIES

The Outdoor Swimmer Henley Swim Festival on Saturday 13 and Sunday 14 July 2024 presents a unique opportunity for brands to meet more than 1,800 outdoor swimmers and thousands of spectators in person as they take part in a weekend festival of swimming.

The event includes multiple-distances, free taster sessions in a Lido area, and the chance to swim with elite level competitors.

All within an atmospheric festival village – which will be open over two days for the first time – for post-swimming celebrations, camping, live music, information and advice, and spectator entertainment. Brands can partner with the family swim festival, set alongside one of the most beautiful and prestigious stretches of the Thames, with a riverside stand in the buzzing event village.
